II. Dear Pastor, we are applying to Woodland Hills Christian Academy for our child's enrollment and have listed your name as a reference. Could you kindly provide your confidential evaluation of us as a potential family at WHCA? I hereby waive my right to access this evaluation form. Thank you.

As part of the application process at Woodland Hills Christian Academy, we ask our parents to obtain a reference from their pastor. We do this because we believe that the Christian training of our children can be most effective when the home has the support systems of both the Christian school and the church family and programs. By answering these few questions, you enable us to provide clearer direction to those families seeking entrance into WHCA. We also trust that this procedure will assist you in working with those families who list your church as their church home.

Please complete this form and send it to Woodland Hills Christian Academy (address below). Thank you for your help.
